INGRESSO ALLOGGIO

A photograph of an entrance hallway. The floor is covered in large, light-brown square tiles with a speckled pattern. The walls are white. On the left wall, there is a single light switch. At the end of the hallway, a dark doorway leads to another room where a white radiator is visible. To the right, a white door is partially open, showing a brass handle and a multi-point locking mechanism. The word "INGRESSO" is printed in white capital letters in the center of the image.

INGRESSO

A photograph of an entrance hallway. The floor is made of large, square terrazzo tiles with a light beige base and dark speckles. The walls are a light cream color. On the left, a white door is partially visible. In the center, a dark doorway leads into a darker room. On the right, a white door is also partially visible, featuring a silver double-switch plate. The lighting is somewhat dim, coming from an unseen source, possibly a window or a light fixture out of frame. The overall impression is of a clean but slightly worn interior space.
